SPECIAL SELECTION & DISCOUNT BOXES

Over the past 4 years the [Discount Boxes](#) have been very popular. Whether all Beef or Beef and Lamb. Now we are able to offer a Special Family Box.

Our pure Highland cattle and Cairngorm/Jacob X sheep are farmed extensively (low density) on heather and moorland and are all guaranteed free from unnecessary pharmaceutical interventions/growth enhancers etc. These are naturally reared animals in a most natural of environments. **PLEASE NOTE:** All our beef is from **100%** pure-bred Highland Cattle raised in the Cairngorms National Park; it is also well matured (dry-aged for minimum 3 weeks) to give maximum tenderness to the meat.

“Boxes” offer a very good discount. They typically offer a saving of around 15% (for Cairngorm Boxes & Beef/Lamb Boxes) and 20% (for Family Boxes) on unit prices, each box containing minimum £90 (CBB & BLB) or £45 (FBB) value of meat.

SMOKED MEATS

All our smoked meats are first cured using a sweet cure rather than the more traditional salt brine. Following the smoking using native woodchips, the meat is then sliced wafer thin and vacuum-packed in approx 100gm packs – an excellent and unusual 'apéritif' or starter
